

What is RQC Portal?

RQC (Registration, Qualification and Certification) is a secure online interface giving awarding bodies and education centres an easy to use platform for student management. Built from the ground up for the cloud.

How Can RQC Help You?

- Time saving
 - Education centres have access to their own area of the portal so they can do more of the work
- Flat rate monthly subscription
 - Predictable costs every month rather than a changing costs linked with the number of students you register
- Customisations
 - Working with you to set the portal theme to match your business image
- Custom URL
 - To merge even more closely with your business image, you can have your own URL pointing to our service

Features

- Complete cloud based portal
- Supports NQF & QCF (Credit based)
- Supports non-NQF and non-QCF
- Centre approval register
- Learner registration and course enrolment (Awarding body, file upload and online via centre)
